

Remote Work Policy

Purpose

This policy establishes guidelines for employees who work remotely.

Eligibility

Remote work arrangements are available for eligible positions subject to management approval.

Working Hours

Employees must remain available during agreed working hours and attend scheduled meetings.

Communication

Employees are expected to maintain regular communication through approved company communication channels.

Security Requirements

Employees must:

- Use company-approved devices.
- Protect company credentials.
- Enable multi-factor authentication.
- Report security incidents immediately.
- Avoid using unsecured public Wi-Fi.

Data Protection

Confidential company information must be handled according to company security policies and applicable data protection laws.

Work Environment

Employees are responsible for maintaining a safe and productive work environment.

Performance Expectations

Remote employees are expected to meet the same performance standards as office-based employees.

Equipment

The company may provide approved equipment necessary for remote work.

Policy Violations

Failure to comply with this policy may result in disciplinary action.

Policy Review

This policy will be reviewed periodically and updated as needed..
